

St. Mary's Healthcare

Community Cancer Prevention in Action

PROGRESS TO DATE

2018 - 2022

Through the Community Cancer Prevention in Action Program (CPiA), St. Mary's Healthcare is **bringing cancer prevention** education, resources, practices and policies **to local communities** within **Fulton, Montgomery, and Schenectady Counties**.

- education
- resources
- practices
- policies

We are taking action...

RAISING AWARENESS about practicing sun safety and the dangers of indoor tanning.

HELPING COMMUNITY PARTNERS adopt and implement their own policies to aid in the prevention of skin cancer.

EDUCATING the public about the HPV vaccine as an effective method of cancer prevention.

WORKING WITH EMPLOYERS to provide a paid time off benefit so their employees can access life-saving cancer screenings.

...and seeing results!

442 MEDIA PLACEMENTS

141 DECISION MAKERS MEETINGS

169 COMMUNITY EDUCATION EVENTS

59 ORGANIZATIONAL POLICIES ADOPTED

39 SITES WITH SUN SAFE ENVIRONMENTAL SUPPORTS

GET THE FACTS. REDUCE THE RISK. SPREAD THE WORD.

Here's how our partners are taking action against cancer:

ADOPTING POLICIES

Our partners are adopting lasting policies to support cancer prevention amongst their staff, youth, and visitors.

PROMOTING CANCER PREVENTION

- Encouraging the use of hats, sunscreen, and protective clothing when outside
- Installing sunscreen dispensers making free sunscreen available
- Adding shade protection to provide sun-safe outdoor spaces
- Installing signs with reminders of the importance of cancer prevention
- Raising awareness that the HPV vaccine is safe and effective cancer prevention
- Providing cancer prevention education to staff, youth, and visitors
- Promoting cancer screenings through worksite wellness

“ We are committed to the early detection of cancer in our community and are pleased to offer our associates a paid time off policy for cancer screenings. As a healthcare organization, we know that regular cancer screenings can improve treatment outcomes and save lives. We support the work of the Cancer Prevention in Action initiative and their efforts to reduce the cancer burden.”

Jeffrey M. Methven
 President & CEO St. Mary's Healthcare
